	Term Time Training Time is scheduled around our regular programme of classes for degree students, children and recreational users. Open Training mainly scheduled for lunchtimes and after 4pm, and variable mornings/afternoons on the weekend.
	Non-Term Time Holiday periods for our degree programme, so less predictable hours for Open Training Time. Often there is actually more Open Training Time than usual, but this is not always the case.
	Limited Space Often as a result of a student production or an event being held in the Combustion Chamber (CC), our largest space. Open Training Time can be very limited during these periods, and usually there is little to no evening training.
	Building Closed Building completely closed to all users. No Open Training at all.

For guidance only - to be updated throughout the year and subject to change without notice.

Please see weekly timetable for exact timings.
